

FOR IMMEDIATE RELEASE

Fast Copy Expands Its Operations

December 15, 2010 • Albany, Georgia

Fast Copy, Albany's Premiere Copy Center, has added a Digital Design Center next to the copy center. This Digital Design Center will allow customers a more spacious environment in which they can sit down with one of our staff's graphic designers to come up with greeting cards, customized letterhead, holiday calendars, specially designed logos, personalized pads, family cookbooks, business presentations, training manuals, large-sized color posters, blueprints, courtroom documents and dozens of other items. Once their designs are realized, they'll be transmitted to one of nearly a dozen production copiers/color copiers/printers to bring them to life.

"Expanding Fast Copy's operations and capabilities in a struggling economy was a difficult decision, but the right one," explains Randy Landers, president and general manager of this family-owned and operated business. "We're doing what's right for our customers and the greater Albany community at large. We already offer the best copies at the best prices, we do them faster than anyone else can, so it's only natural that in this digital age, we continue to grow to address the needs of our clients."

Fast Copy first opened in December 1994, and has now grown to become one of the largest copy centers in the region. Its customers ranging from folks needing one copy to companies needing tens of thousands of copies. "Frankly, I'm amazed at the growth of our business. We really expected to make 25,000 copies at first, and we're making nearly ten times that amount these days." Fast Copy offers a 20% discount to all area churches, regardless of denomination, and works closely with other charitable organizations, including youth baseball, softball, basketball and football. "As much as the community has supported us, it's only right that we support our community."

Fast Copy is located at 1019 North Westover Boulevard in Albany, behind the Albany Mall, with the Digital Design Center right next door. "I'm excited about this opportunity. We're going to refocus our efforts on helping customers make their projects a success." Fast Copy's hours are Monday-Thursday, 9:00am until 6:00pm; Friday, 9:00am until 5:30pm; and Saturday, 11:00am until 4:00pm. Fast Copy can be reached at (229) 434-0640.
